MRIGYA

Enter the global sound world of Mrigya, a unique fusion band from Delhi which presents a rich blend of blues, funk, latino and Indian Classical music. Mrigya stretches the boundaries of music with a sound that unites the world as one family, a philosophy which is demonstrated in the term “*Vasudhaiv Kutumbakam*”. Mrigya became the first Indian band to get a 4 star rating with the Scotsman at the 2001 Edinburgh Fringe Festival. This is an experience not to be missed!

“A show we’ll never forget. The ambiance was out of this world.” *Purana Quila*

“Fusion music in its most positive, most elastic sense” *The Herald*
